MESSAGE FROM THE CHAIRMAN

Dear Business Partners,

TAQA Morocco is a market leader in its sector, with a strong reputation for integrity and **Ethics** in its management processes and commercial relations with all its stakeholders.

Listed on the Casablanca Stock Exchange, the **Company** is subject to stringent regulations and standards in terms of communication, transparency and governance.

The success of **TAQA Morocco** is reliant on everyone of us adhering to shared rules, practices and standards that guide our day-to-day conduct, not only in terms of operational excellence but also in terms of social responsibility, **Ethics** and transparency.

The purpose of this **Business Partners Code of Conduct** (the «**BP Code of Conduct**») is to assemble the many standards set up by **TAQA Morocco** in terms of **Ethics**, business conduct and transparency.

It outlines the policies and expectations we have for ourselves, along with some key terminology definitions and recommendations on how to act/react when faced with certain situations.

The **BP Code of Conduct** will constantly remind us of the key **Ethical** and regulatory requirements that must guide our behavior and inform our judgments in the day-to-day administration of the **Company's** operations. It also establishes the standards to which we can refer.

This **BP Code of Conduct**, however, cannot cover all of the instances you may face as you accomplish your duties, because **Ethics** is, above all, a question of common sense, morality, and compliance with legal and regulatory frameworks.

*“The success of **TAQA Morocco** is reliant on everyone of us adhering to shared standards, practices, and values that guide our day-to-day conduct, particularly in terms of social responsibility, **Ethics**, and transparency.”*
